QUEENSTOWN, Dec. 18—The following message has been sent by Mr. Justin Mc. Carthy to Mr. John Dillon in reply to the dispatch he sent vesterday through the Dunlap Cable News Agency, deprecaling the attacks of Mr. Parnell. It reads: "Your message has been received. We entirely concur. We hope, and have reason to believe that the report of the injury to Mr. Parnell's eyesight is exaggerated. We have used and will continue to use all possible influence in order to prevent personal insult and violence. Justin Mc. Collembus, O., Dec. 15—Elmar Shorts.

National Existence of Ireland.

having previously published the results of his experiments on animals or the composition of the remedy, and proclaiming the eurs of the disease after trials lasting only over a period of some months. Dr. Daremberg recognizes the ingenuity of Professor Roch's discovery, and concludes by saving "after all, it is ardly more advanced than those of other

National Existence of Ireland.

Dublin, Dec. 18.—United Ireland, and Henry Popp were executed by banging in the annex of Ohio penitentiary shortly date in Kilkenny. The paper says that the election virtually involves the national existence of Ireland; that the maintenance of the central idea of the nationhood depends upon freedom from alien dictation; that Mr. Giadstone's pretensions to control the decision of the Irish people should have been and would have been repudiated had the dissident Irish leaders acted with durange of the matter of the greek to themselves and their country and as men of spirit and sound patriotic judgment would have acted.

Presbyterian Assembly of Belfast has issued an address to the brothern in Great Britain, on behalf of a million and a quarter of non-conformists in Ireland, pronounced dead his body had been removed and the scaffold prepared for Popp, where the proposed out from the gallows, simply saying: "I will asswer to God for what I havedone, and for sive all." Eight minutes after Sharkey was pronounced dead his body had been removed and the scaffold prepared for Popp, where carefully prepared for Popp, and the matter of the state of the material of the state of the state of the sagnet of the state of the state

a Dunian reporter had with that savant. Dr. Daremberg contrasts the hesitation and anxieties of Pasteur when making his experiments on man with his remedy for hydrophobia with Koch's essays without having previously published the results of his experiments on animals or the combined experiments of th

PRICE, TWO CENTS. FROM ALL OVER THE STATE.

The prevalent opinion new action of the caucus of Republican Senators, action of the caucus of Republican Senators, publicans do not mean to pass the Force of the dilemma they are intacted a few days ago of murder, and his saide the hill "temporarily" is taken to mean that the advocates of the mean that the advocates of the mean that the advocates of the bill are willing to accept an easy way out of the dilemma they are in; that if the bill shall be laid saide it will never again be taken up. It now develops that there was very decided opposition manifested to the Force bill and that Senator Hoar was convinced it could not be passed this session. If evidence were wanted as to the insincerity of the caucus action it is furnished by the fact that it was proposed to adopt a clesure rule, as if that would contacted, it is that there was very decided opposition manifested to the Force bill. By the play set ables, a peasa of the caucus action it is furnished by the fact that it was proposed to adopt a clesure rule, as if that would contact the promptly settle the question. The Demogratism of the caucus action it is furnished by the fact that it was proposed to adopt a clesure rule, as if that would for M. E. church in the presence of a large and live against.

Mr. John C. Edwards and Miss Cora L. How were married to-night at the Bland for the caucus action it is furnished by the fact that it was proposed to adopt a clesure rule, as if that would gradened. The bride is one of Petersburg's the play were married to-night at the Bland for the caucus action it is furnished by the fact that it was proposed to adopt a clesure rule, as if that would promptly settle the question. The Demogratism of the caucus action in the fact that it was proposed to adopt a clesure rule, as if that would for Mr. E. church in the presence of a large and live adulence. The bride is one of Petersburg's the first daughters and the grown has well-agained to accept the control of the presence of a large and promptly settle the question. The Demog his losses at the same game. In a few hours he found himself fleeced out of \$480, which was about his whote pile. He then called the police, sued out a warrant, and had his congenial companions all arrested. Among them were: Dr. Charles Hall, a medicine man; Beaureguard Nould-Charlotte, had to go home without finding one cent of his lost Christmas money. The tobacco sales this week have been very light, and after this week will be sus-pended until January 5th.

Funeral of Naval Constructor Richar

NORFOLK, VA., Dec. 18.-[Special.]-The funeral of Naval Constructor Richard Gatewood, who died from consumption at Bellewo feet deep on the level here this morn-yne. Penn Tuesday, took place from the home of his father, Rev. Robert Gate hip Atlanta, and a battalion of parines from the navy-rard, under com-nand of Major McLane Tilton, formed the

ship Atlanta, and a battainon of mainded last night. All trains are badly delayed.

THE HEAVIEST FOR MANY YEARS.

WHERSBARER, P.A., Dec. 18.—Sleet, rain and snow have been raging here for the past twenty-four hours, and at moon it is snowing hard. It is the heaviest storm seen in the Wyoming valley for some years.

LOCHHAVEN, P.A., Dec. 18.—The snowstorm, after raging thirty-six hours, ceased this morning. There are two feet of snow on the ground.

MANCHESTER MATTERS.

The new directory for the city of Manchestar and suburls to be more than 12,500.

Thieves attempted to enter the dwelling of Mr. J. E. Bennett Wednesday nicht, but were frightened off.

On Friday night, the 26th inst., the Manchestar and suburls to be more than 12,500.

The Hall, Supper will be a part of the programme.

The HEAVIEST FOR MANY YEARS.

Show have been raging there for the snow have been raging third in the past of the word in the past of the word in the medical form the past of the men, named Robert Curry, pulled a pistol in the meles and shot his opponent, Barney McCann, through the hand. The ball from the revolver fattened against the Marine Bank building. The police arrosted Curry just as he was about to fire a second shot.

A partly of twenty-live citizens of Aulander, N. C., are here to-right waiting the arrival of the sheriff to take murderer Vunch Freeman back to that place. Free-man murdered Mr. and Mrs. Atkins there two months ago. The sheriff has not yet arrived in Norfolk. Being learful that the citizens may lynch Freeman, the sheriff will allow him to remain here several days until be excitement somewhat subsides.

This afternoon the signal service here revived information that the Blanch (charmator of the vossel are not known.

The Hustings Court will probably adjours to-morrow for the term.

A meeting of the Manchester Court, No. 68, Equitable League of America, will be held to-night. Officers will be elected and installed.

A partly of twenty-live citizens of Aulander, No. 200.
